Our Mission is to provide the finest, comprehensive and innovative dental care.

Welcome to Dental Wellness and Health! We are very glad that you have chosen our practice for your dental care, and we are sure that you will find it to be very unique.

What makes us special? We are a boutique dental practice. The philosophy of our practice is to provide comprehensive, state-of-the-art dental care in a warm and comfortable setting. As we work together, we will make decisions based on our professional expertise and your personal wants and needs. In order to attain our mutual goal of optimal dental health we must work as a team. We encourage your input and welcome any questions you might have regarding your dental treatment. We will always make time to discuss your concerns.

We provide a full range of dental services: fillings, crown & bridge, complete cosmetic dentistry, pediatric dentistry, oral surgery, implants, endodontic & periodontal treatment and **sleep apnea & snoring therapy**. We pride ourselves on taking a vast number of continuing education courses to keep current in all phases of dentistry.

We have enclosed a New Patient Health History Form and other pertinent forms for your appointment. Please complete and bring these forms with you to your visit. We have also enclosed a copy of our "Notice of Privacy Practices" for your review.

If you have any questions prior to your visit, please do not hesitate to call our office

Sincerely,

Leila Chahine, D.M.D.
